FRIDAY
28 NOVEMBER 2025
THE DARWIN CONVENTION CENTRE

ABOUT OUR SCHOOL

Henbury School is a vibrant and inclusive special needs high school in Darwin, proudly supporting students aged 12 to 18 with mild to severe disabilities.

OUR MISSION

At Henbury, our mission is to prepare students for meaningful and independent futures as active members of the community. Our motto, "Preparing for future lifestyles" reflects this vision. Through education, work skills development, and community engagement, we strive to unlock every student's potential. To continue this vital work and create even more opportunities for our students, we need your support. Together, we can build a brighter future for young people with disabilities and foster a stronger, more connected community.
Join us in making a difference!

ABOUT THE EVENT

Since 2010, Henbury School, in partnership with the Darwin Convention Centre and Area 9, has proudly hosted the annual fundraising event, the Henbury Corporate Luncheon—fondly known as Darwin's biggest corporate Christmas party!

Each year, guests from across the community come together to support Henbury students and raise vital funds for our school. The event raises funds through sponsorships, mega raffle ticket sales, and silent and live auctions. Generous donations from local businesses and the community are essential to its success, contributing items and services for raffles, prize draws, and auction pieces.

Guests at the luncheon enjoy a lavish three-course meal, an excellent beverage package, top-tier entertainment, and a day filled with fun and celebration. The event also provides a fantastic opportunity to network and celebrate the end of the year and the festive season in style.

HOW YOUR GENEROSITY MAKES A DIFFERENCE

Your generosity and involvement directly enhance the lives of Henbury students, helping us deliver innovative programs and create enriching learning spaces.

Thanks to our supporters we have been able to:

- Upgrade sensory rooms and our school farm
- Purchase specialised musical instruments, ipads with essential communication programs, and advanced technologies like the Tobii Eye Gaze
- Expand our Enterprise Education programs in textiles, woodwork, and screen printing
- Fund purpose-built vehicles: a bus and work-training vehicle
- Launch and support the Crewz'n Brew coffee trailer
- Open the Henbury Precinct Training Initiative Café and Op Shop
- Continue beloved programs, including therapy dogs
- Physical education initiatives such as Boxfit NT
